AM 570 is the new home of DC's conservative talk radio format known as "The Answer". For many years, The Answer was found on 1260 AM. Recently Salem Media Group acquired 570 AM and moved the powerful conservative talk format to the stronger AM 570 radio signal. AM 570 continues to feature the best talk-show hosts in America: Hugh Hewitt, John Fredericks, Mike Gallagher, Dennis Prager, Sean Hannity, Jay Sekulow, Frank Gaffney, and Michael Medved.

The Answer's General Manager, Tom Moyer, comments, "We are thrilled to now broadcast DC's conservative news-talk format The Answer on 570 AM. The new signal gives us better broadcast coverage in the Northern Virginia area, from Arlington to Manassas, and Leesburg, down through Woodbridge, and beyond. AM 570 also gives us strong coverage in the greater DC/Maryland area, 24 hours a day. AM 570 is a DC full-market coverage radio signal."

AM 570 The Answer recently became the home of The University of Virginia Football and Basketball. All UVA Football and Basketball games are now heard on AM 570, The Answer.
